

Northumbrian Woodturners Weekly Bulletin No1

Drew McEwan has just lately taken up silversmithing as another hobby. Hopefully in time to incorporate it into his woodturning. Here are a couple of things he has recently done.

"A copper rose and a ring with her birthstone Alexandrite for my mother on Mother's Day."

Ok this is the first ??? for Kevin McAllister any idea what kind of wood this is - its heavy & dense

.....

Ian Elliot has been busy for over 3 weeks, as he says, "It's not turning (pyrography), and it took about 3 weeks." doing a self-portrait — here's a view of Hon Sec in all his wooden glory.
